Northwest Orange Republican Women, Federated

"Women Making A Difference"

January 2012

PRESIDENT'S MESSAGE

Dear NORWF Members,

First of all, I want to let you know that is an honor and a privilege to be elected as President of Northwest Orange Republican Womens Federated Club. I am humbled by all the support and kind words I've received so far. We have an exciting year ahead of us as the future of our Nation hangs in the balance. We have many exciting events, meetings, programs planned for the coming year. Our first event is just around the corner, the I-4 Women Roar event, taking place on Saturday January 21, 2012. (Please remember this event will take the place of the regular January Thursday meeting). This event is unique and the most ambitious event NORWF has taken on. This event will bring together Central Florida Republican Clubs and local conservative organizations. In this unprecedented event, we will all join together to kick off the 2012 political season. This is a NOT TO BE MISSED event. Plenty of volunteers will be needed to ensure this event's success, so be sure to let Sharon Fenwick, Sharon Rousey or myself know what you can do. As you know, when women work, we all win!!

We are also putting together are committees and setting goals for each committee. Among the many committees you may want to consider are the Legislative, campaign, Americanism, the M.E.L.P Library/ Dictionary Committee, as well as the Telephone Committee. These and our other committees sure can use all the help we can get. Decide which committee or committees you would like to be on and let us know! We are also working on our website, www.norwf.org. Be sure to visit the site often and like NORWF on Facebook. Tell all your friends about it!!

Above all, if you have not already done so, PLEASE renew your NORWF membership for the coming year. We have an exciting year ahead of us, packed with election year activities and programs. You won't want to miss a minute. 2012 will be a watershed year for this Nation, and it will take each one of us, working together, to save this Nation from the Liberal Progressive Elites who would drag this Nation into a cesspool of failed socialist policies where our freedoms and God-given rights would be severely compromised. Join us TODAY and make a difference!!

God Bless!!!

I-4 WOMEN ROAR

Altamonte Springs Hilton

Hob Nob begins at 9:30

Doors Open at 10:00

The I-4 Women Roar is a unique and exciting event bringing together Central Florida Republican Clubs and local conservative organizations. These are the power people that when brought together make things happen in Florida politics. In this unprecedented event, they join together to kick off the 2012 political season.

One thing is certain—it is time to elect a Conservative Republican President. Even though the President of the United States is one of the single most powerful people in the world, the job simply cannot be done alone. In every level of government, intelligent, fiscally sound, and principled leaders are needed to help us regain our economic stability, restore our faith in the safety of our communities, defend our individual rights, and ensures that the future of our children is protected.

The Republican Presidential Campaigns have been invited to the **January 21st** brunch. Republican leaders from across the State, Central Florida voters, active conservatives, and of course the Republican ladies will be in attendance, making this one of the most pivotal events before the Presidential Primary. This is an event you won't want to miss.

There is much to be done, and Central Florida's Republican Clubs along with our coalition family are ready to get to work, because as we all know.....**When Women Work....We All Win**

Our Exciting Key Note Speaker:

Stephen K. Bannon, writer, director, "*Fire from the Heartland*" – the first ever film to tell the entire story of the conservative woman in her own words. Tracing the long history of the many conservative women who have been the backbone of this great nation, from the founding mothers of our Republic to today's "Mama Grizzlies," this powerful and compelling documentary honors the self-made American woman.
